

**Anthelio Healthcare Solutions Ranked #1 in Healthcare Providers IT Infrastructure Outsourcing
by Prestigious Black Book™**

Second #1 rating by Black Book for Anthelio's world-class outsourcing services

Dallas, Texas. May 23, 2016 —Anthelio Healthcare Solutions has earned the #1 ranking by Black Book in the 2016 Healthcare Providers IT Infrastructure Outsourcing category, the company announced today. Anthelio is the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers. Black Book is a leading independent research firm recognized as the unbiased source for polling, surveys and market research in the healthcare industry. This is the second #1 ranking by Black Book for Anthelio's stellar outsourcing services in the past several months, as in March the company was ranked #1 in 2015 HIM Outsourcing Solutions.

"It is exciting to earn the #1 Black Book ranking for our outsourcing technology services for the second time within just a few short months," said Asif Ahmad, CEO, Anthelio Healthcare Solutions. "Outsourcing end-to-end IT services is our core business activity, and we are dedicated to helping our healthcare partners solve their most complex IT and infrastructure challenges, enabling and empowering their existing IT resources."

Anthelio has built a strong reputation as a leader in the industry by delivering outstanding customer service coupled with innovative, flexible solutions that provide sustainable value in today's evolving healthcare landscape. In addition to the Black Book rankings, the company was also named a Healthcare Informatics Top 100 IT Vendor in 2015, and was included in the Legacy Decommissioning Vendors List for two prestigious Gartner 2015 Hype Cycle Reports. Additionally, Anthelio has received high KLAS rankings for its world-class outsourced coding and hosting services. The company provides comprehensive and integrated services between IT and Revenue Cycle Management, providing a full spectrum of industry-leading solutions that serve over 65,000 physicians and nurses in 500 healthcare organizations across 27 states.

"Our employees are highly dedicated and strive to attain excellence in the products and services we provide to our customers, so it is very rewarding to know our efforts are being recognized by the industry we serve," Ahmad concluded.
